

# *Summer Intensive Classes*

Our Summer Intensive Program is a session of classes that meet every day for two weeks during the months of June through August. New classes are being added all the time so please call for updates and schedules. Currently, our classes include the following:

## **Intensive Phonics & Beginning Reading (Grades 1-3)**

*For Beginning Readers Who Need a Solid Foundation in Phonics.*

A detailed information sheet about Intensive Phonics is available in our office

## **Basic Writing Workshop (Grades 1-3)**

*A Foundation for the Clear and Effective Writing Strategies Younger Students Will Need in Upper Grades*

Students learn the basics of writing: sentence structure, parts of speech, and an awareness of standard usage. They also explore the art of developing original ideas into interesting and cohesive paragraphs.

## **Basic Writing Workshop (Grades 4-5)**

*A Focus on Writing Clearly and Communicating Effectively*

Students grow as analytical thinkers and excellent communicators, with an emphasis on developing strong writing skills.

## **Reading & Vocabulary Workshop (Grades 4-5)**

*Lots of Reading and Vocabulary Practice!*

Students explore specially selected readings, participate in class discussions, memorize new vocabulary, and develop more sophisticated ways of looking at literature. Students become strong readers by acquiring reading strategies to analyze fiction, non fiction, and information texts. Their expanding analytical skills will serve them in all aspects of life.

## **Basic Writing Workshop (Grades 6-8)**

*Review, Practice and Prepare*

Students develop further in the traits of excellent writing skills in preparation for high school, including more detailed insight into grammar, and sentence construction, paragraph development and essay structure.
